

BRANCH OUT MILWAUKEE SHERMAN PARK

Are you a Sherman Park neighbor who:

Is interested in planting a new tree in your yard for free?

- Has a tree in your yard that could benefit from cutting, pruning or trimming?
- Is curious to learn more about the different species of trees in your yard?

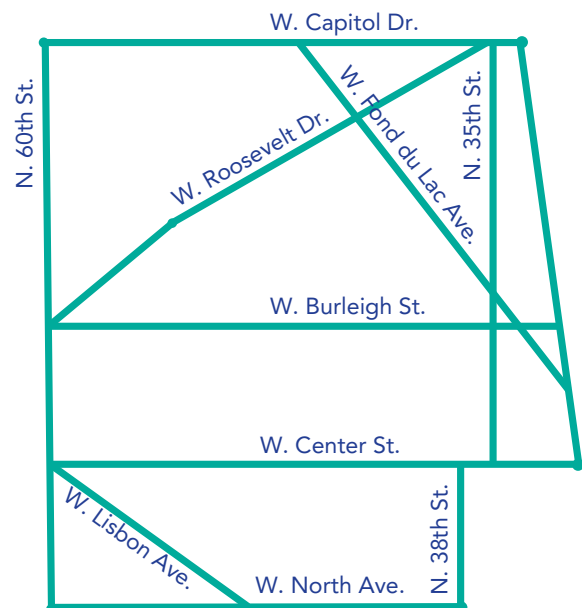

If any of these apply to you, let's connect to determine your eligibility for Milwaukee Water Commons' Sherman Park tree care campaign, in partnership with the Branch Out Milwaukee Network.

Who is eligible to participate?

Privately-owned, renter or owner-occupied homes located within the Sherman Park Community Association's service area.*

Grasslyn Manor
Sunset Heights
Roosevelt Grove
St. Joseph's
Sherman Park
Uptown

*Limitations may apply, please contact us to learn more.

What's Your Tree Story?

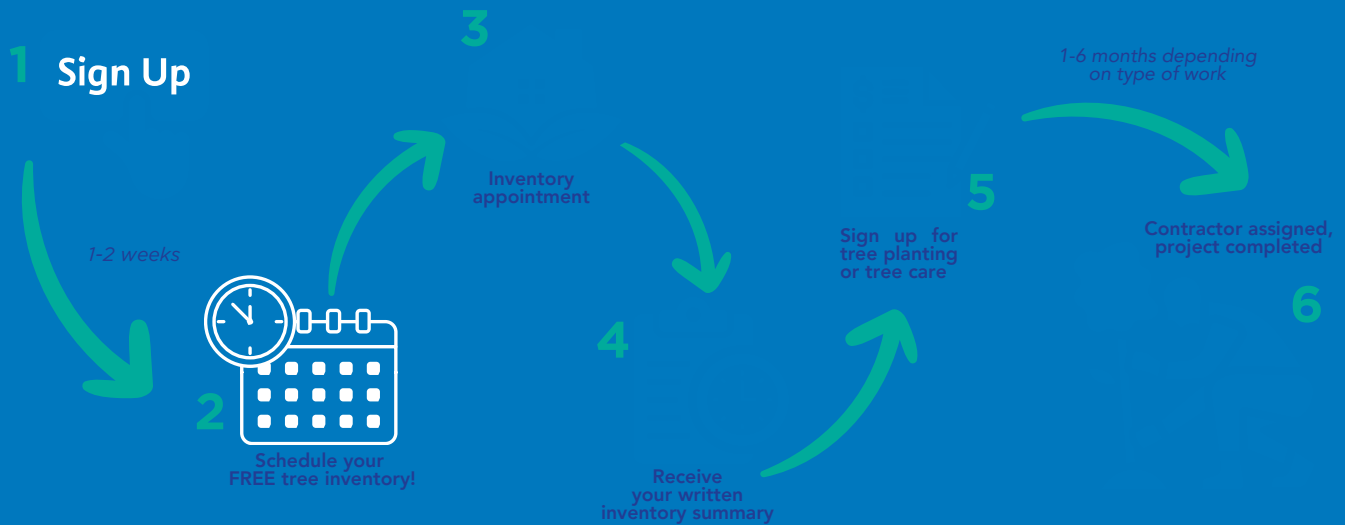

During your FREE tree inventory, we'll take a walk through your yard to discuss:

Your personal tree story!

Tree types in your yard, their current health and size.

Planting, pruning and maintenance recommendations.

How it Works

Tree Planting

- Choose up to two FREE trees to have planted on your property!
- Choose the perfect tree to enhance your space.
- Watch your tree grow by following our tree care and watering instructions!

Tree Care

- Tree care may involve pruning, trimming or cutting existing trees.
- We'll pay a portion of the cost!
- We'll help coordinate your project with local, licensed tree care companies.

You'll receive a written summary that's yours to keep, along with a map of your property and additional resources you may find helpful.

There's no obligation or commitment, on your part, to participate in any portion of the program.
