Everyone is welcome to bring and play their own games or choose from others we have available. We ask that all games be appropriate for all ages and audiences as well as avoid mature themes.

Arrive as early as 6:30pm to order drinks and snacks from The Perk, get settled in, and we'll start playing at 7pm.
We ask that all beverages present have lids to prevent spills and damage to the games.

Capacity is limited. Any minor or child attending game night must be accompanied by an adult for the duration of their attendance. Event sponsored by the Norwood Neighborhood Group
