CENTURY CITY: 35TH & CAPITOL PROJECT

The City of Milwaukee and community partners are working to develop visions and guidelines for the future of the southeast corner of N. 35th St. & Capitol Drive (3940 N. 35th St.). This project advances an EPA clean-up grant to prepare the site for redevelopment. We are seeking input on community priorities for development on the site.

We want to hear what YOU envision for this site!

Fill out the survey by scanning the QR code below or by visiting our website.

The online survey will close December 18, 2026.
